

Attorney's Docket No.: 07977-262001 / US4542

REMARKS

Reconsideration and allowance of the above-referenced claims are respectfully requested. Upon entry of this amendment, claims 1-14, 17-19, 23-26, and 33-39 will remain in the application.

In response to a call from the USPTO, Applicant's attorney was made aware that claim 32 was both cancelled and amended in the last Response. Claims 27-32 were mistakenly cancelled in that Response and have been reinstated as claims 34-39 in this Supplemental Amendment.
